(Formerly known as Innefu Labs Private Limited)

CSR POLICY

BACKGROUND:

Corporate Social Responsibility ("CSR") is a concept whereby corporate entities integrate social and environmental concerns in their business operations and in their interaction with stakeholders on a voluntary basis. A business enterprise cannot be oblivious to societal and environmental development. The corporate entities are empowered and possess great potential to significantly influence the surroundings in which it operates. The main purpose of an entity must be beyond creating wealth i.e., towards attaining sustainable development and to create stakeholder value. CSR is the continuing commitment by the Company to behave ethically and contribute to the economic development while improving the quality of life of the workforce and their families as well as of the local community and the society at large.

OUR CSR VISION:

In this era of Globalization, liberalization and advances in communication technology, there is an alarming increase in the awareness of the CSR throughout the World. We firmly believe that if we want a better, safer, cleaner and healthy environment then we must take a first step to begin our journey towards striking a balance between the societal needs, economic development and eco-friendly environment through various CSR activities.

Every individual has the Right to Life, Right to live with dignity, Right to education, Right to clean and healthy environment which are engraved in the Constitution of India. The responsibility is cast upon the Government to ensure that these Rights are protected and are not exploited. We realize that this responsibility must be shared by each and every individual, especially by corporate entities to eradicate hunger, poverty, upliftment of the downtrodden society, provide education and protect the environment. We will strive to emerge as one of the best Corporate Citizens.
